EXAMINER'S AMENDMENT

1. This application is in condition for allowance except for the presence of claims 18-25 directed to an invention non-elected without traverse. Accordingly, claims 18-25 have been cancelled.

Drawings

2. The replacement drawings were received on April 28, 2006. These drawings are disapproved because parts shown in section in Figure 2 are still not properly crosshatched as required in Paragraph 7 of the Office action mailed January 17, 2006.

3. New corrected drawings in compliance with 37 CFR 1.121(d) are required in this application because parts shown in section in Figure 2 are not properly crosshatched. Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.
